

REMARKS

1. Response to claims 1-2 and 5 being rejected under 35 U.S.C. 102(b) as being anticipated by Mizukami et al.:

Claims 1-2 and 5 have been canceled and no arguments are made to the rejection.

2. Response to claims 3-4 and 6-7 being objected to as being dependent upon a base claim:

Claims 3 and 6 have been rewritten in independent claims with all the limitations of the base claims 1 and 5 respectively. In order to rewrite claims 3-4 and 5-7 more readably, minor corrections are made in the currently amended claims 3-4 and 5-7. Undersigned states no new matter is added in the currently amended claims 3-4 and 6-7.

6. Conclusion:

Claims 3-4 and 6-7 have been amended in accordance with the instruction of the Examiner. It is respectfully anticipated that the currently amended claims 3-4 and 6-7 be allowable and a notice of allowance be issued.

Respectfully submitted
